

Full Stack Engineer

Mohammed EL YOUSFI

Oujda, Morocco 25 Years Old +212 690-166079 momarip.el.yousfi@gmail.com

Summary

As a Full Stack developer, I always try to take what already exists and improve it to optimize time and not reinvent the wheel. I am a motivated person to continue to learn and develop, and I am ready to put my experience and my efforts at the service of the team and the company.

LANGUAGES

Arabic Native language

French Very good

English Very good

Turkish Beginner

SOFT SKILLS

- Creativity
- Innovation
- Critical Thinking
- Time Management
- Openness to criticism

INTERESTS

I am engaged as an active volunteer in social work, where I invest myself in my field of expertise by organizing charitable events for orphans. In addition, I like to read personal development books and I help people as a life coach thanks to the trainings I provide.
